

The Digital Driver Licence eDM

Get your driver licence on your mobile phone

Hello AyeshBONYOUNGP

The Digital Driver Licence has all the same information as your licence card but is on your mobile phone **within the Service NSW app**.

Service NSW has launched a six month trial of the Digital Driver Licence in the Wellington area before it is released to all of NSW in 2019. We would like you to try it and give us feedback. The Digital Driver Licence is **free** to all NSW driver licence holders who live in the trial area.

Get Started

Download the new Service NSW app to your mobile phone.

Benefits of the Digital Driver Licence

- **Real time updates** - you don't have to wait for a new licence card to be posted out when you licence is renewed or you change your details.
- **Works offline** - can be viewed even when you have no data coverage, as long as you stay logged in to the Service NSW app.
- **Always have your licence on you** - as long as you have your mobile (just remember to carry your licence card when driving during the trial).
